### Part V:

Read the following passage to answer the questions. Then choose the most appropriate answer from (A), (B), (C), or (D). You need to fill in the blanks or to find a similar meaning with the underlined word or phrase. For the question 50, complete the sentence by choosing the most appropriate answer from four choices.

Learning a foreign language is a matter of (41) commitment. You have to be determined to (42.       ) that language no matter (43.       ). You need to (44.       ) you to motivate yourself even when you don't feel (45) progress. There are two kinds of motivation. One is called (46) intrinsic motivation. That is, people are willing to be good at the target language so that they can communicate with people in the target culture. In fact, many students learn a foreign language because they like the musicians, actors, pop culture, and so forth. The other type of motivation is called (47) extrinsic motivation. For example, people learn a particular language to find a better job. Students often feel a sense of failure when they encounter difficulties about learning a language. It is (48.       ) important for a learner to (49) overcome any difficulties with a highly motivated spirit.
